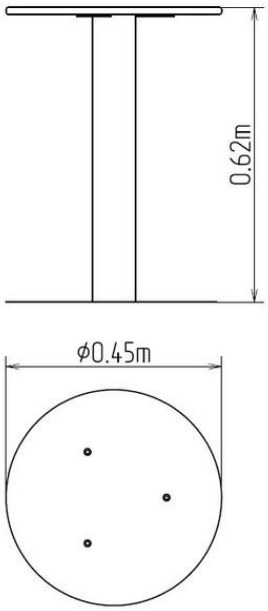
Table for the sandpit ST001KR - Red

Product type ST-001KR-10

Basic information

Age category	from 0 years
Minimum area	0,45 m x 0,45 m
Equipment measurements	0,45 m x 0,45 m x 0,62 m
Free fall height:	0,6 m
Load capacity:	Not specified
Max. number of users:	Not specified
Fall zone: EN 1177	null
Designation:	exterior
Availability of spare parts:	supplied by the
Certificate of Compliance:	ČSN EN 1176 - 1



Material

Metal parts - structural steel
Plastic parts - HDPE

Finish

Komaxit powder coating
Hot-dip galvanizing

Description

The support structure of the sandpit table is made from structural steel, which is protected against corrosion by hot-dip galvanizing and this significantly prolongs the life of the play unit. The structure is fixed in a concrete bed. The table is made from high quality HDPE plastic (high density coloured polyethylene, which is characterised by high colour stability, UV resistance but mainly safety as it doesn't break and therefore there is no danger of injury to children by sharp fragments). All fastening material is galvanized or stainless steel.
